EXCLUSIVE

EVOLVE^x EXCLUSIVE: A POWER-PACKED EVENING ON STARTUP FINANCE!

We recently hosted an insightful and high-impact virtual session **From Startup to Scale-Up: Building the Right Financial System**, designed exclusively for our **EvolveX** and **We Founder Circle** portfolio founders.

Powered by

SESSION HIGHLIGHTS

Session 1: Fireside Chat with Vinay Singhal, Co-founder & CEO, STAGE

Vinay shared the financial evolution of his startup journey — from early chaos to structured discipline — and **how financial foresight helped scale STAGE into a leading regional OTT platform**. His candid reflections were both relatable and inspiring.

Vinay Singhal, Co-Founder & CEO, STAGE

Session 2: Best Practices in Financial Reporting with Dhawal Kothari, Partner, KPMG India

Dhawal broke down the essentials of **financial reporting, bookkeeping, and compliance**. His session offered practical guidance tailored for early-stage founders, sparking great questions and takeaways.

Dhawal Kothari, Partner, KPMG

Takeaways:

- Financial discipline is non-negotiable for sustainable startup growth — start early, stay consistent.
- Founders learned the importance of setting up scalable financial systems since the inception.
- The session highlighted how finance is a strategic growth lever, not just a backend function.
