Fashion meets safety

SAFETY, FUN AND STYLE

All on one Wrist!

Dr. Srishti Sharma,
Founder - SHAKTI WEARABLES

WHY WE INVESTED

EvolveX invested in **Shakti Wearables** - India's first patented, non-lethal safety wearable for women. The smart band sends SOS alerts, shares GPS, raises alarms, and incapacitates attackers in one click.

Why it excites us:

- ₹10,500 Cr+ domestic market for personal safety devices, with no direct competitors.
- Government LOIs for 5–6 lakh units from Punjab Police, DPS, and more.
- Expanding beyond B2G to B2B and D2C with EvolveX network support.
